

Evolving Office-Supply Retailers' Strategies Could Jam CMBS

Connect Media – Dennis Kaiser

Nov. 27, 2018

Office Depot and Staples continue to pivot away from traditional retail office-supply offerings and toward business-services solutions. A commercial mortgage-backed securities CMBS Alert published by Morningstar Credit Ratings identifies 313 properties, with a combined \$5.41 billion allocated balance, that have exposure to office-supply stores Office Depot or Staples as a top-five tenant.
