

PACE Funding sticking to private placements, at least for now

Asset Securitization Report – Allison Bisbey

March 26, 2019

PACE Funding Group's third securitization of Property Assessed Clean Energy assets, completed last week, was privately placed, but the Los Gatos, California-based company is still believed to be eyeing a possible public transaction over the next 12 months.

The \$55 million deal that closed Friday was placed with investors by SunTrust Robinson Humphrey, and privately rated by Morningstar Credit Ratings. It follows two private deals that PACE Funding completed in 2018 totaling \$115 million.
